Wear protective gloves/ protective clothing/ eye protection/ face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice or attention.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

NET CONTENTS: 1 U.S. Gallon (3.79 L)

ALLIGARE SUPER MARKING DYE 1 is a flexible, user-friendly, non-hazardous colorant for aquatic, industrial, municipal, utility, right-of-way and any other application of pesticides and/or fertilizers.

ALLIGARE SUPER MARKING DYE 1 indicates to applicators where they have applied pesticides or other products, and helps avoid oversprays and skips.

ALLIGARE SUPER MARKING DYE 1 disappears rapidly in any weather conditions, and blends completely with pesticides and fertilizers, without influencing their effectiveness.

Aquatic applications of **ALLIGARE SUPER MARKING DYE 1** will not interrupt irrigation use of ponds, reservoirs, lakes or lagoons. Performs best in impounded water systems.

Color vibrancy will gradually fade due to sunlight, adjustments to the water volume, or chlorinated treatment products-usually within 2-4 weeks

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

Application rates of **ALLIGARE SUPER MARKING DYE 1** will differ depending on conditions, tank mix partners, spray application rates and other conditions. To find the best rate of application, vary the rate of **ALLIGARE SUPER MARKING DYE 1** to find a rate that is cost-effective, yet is visible for the desired length of time. Typically, the user/applicator should start at the low end, and if the indicator is not dark enough or does not last long enough, increase the amount until the desired effect is achieved.

Recommended use rate: 4 to 12 ounces per 100 gallons of spray solution.

For smaller spray applications using backpacks and small sprayers, use 1/3 to 2/3 of an ounce, (approximately 2 to 4 tsp.) per three gallon tank.

Aquatic applications: 32 ounces per 4-6 acre-feet

Gradually increasing or decreasing the application rate to correct color intensity for aesthetic purposes or due to changes caused by weathering may be necessary.

Applying **ALLIGARE SUPER MARKING DYE 1** in the deepest area of the water feature or close to mechanical circulation systems will disperse the colorant quickly, but natural changes in temperature, and currents caused by wind, will also spread the color.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Do not store near heat or open flame. Do not store with oxidizing agents or ammonium nitrate. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. If burning is allowed, stay out of smoke. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

WARRANTY: Alligare, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. Alligare, LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

Inherent Risks of Use: It is impossible to eliminate all risks associated with use of this product. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Alligare, LLC or the seller. All such risks shall be assumed by buyer.

Limitation of Remedies: The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at Alligare, LLC's election, one of the following: 1. Refund of purchase price paid by buyer or user for product bought, or 2. Replacement of amount of product used. Alligare, LLC shall not be liable for losses or damages resulting from handling or use of this product unless Alligare, LLC is promptly notified of such loss or damage in writing. In no case shall Alligare, LLC be liable for consequential or incidental damages or losses.

The terms of the "Warranty Disclaimer" above and this "Limitation of Remedies" cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Alligare, LLC or the seller is authorized to vary or exceed the terms of the "Warranty Disclaimer" or this "Limitation of Remedies" in any manner.
